## CELEBRATING LIFE STORIES

May revolved around National Nursing Home Week 2018 with a theme of Celebrating Life Stories. This edition features mainly a recap and also has reminders for our June Events. Check out our Facebook Page for even more photos recapping our week!

*Our quote of the month was featured on our Facebook page this month as we celebrated Nurse's Week! We recognize both our nurses and CNAs because of the passionate teamwork they possess. How lucky are we to have such amazing individuals that choose to not only care for others but go above and beyond every single shift they are apart of? All of our nursing staff received a small token of appreciation to recognize them during this special week.*

## Thank You!

---

Thank you does not seem fitting but it will have to do. Nursing Home Week 2018 was a complete success and I have so many to give credit to. Our main goal for this year was to amp up this week of celebration and truly make it something special for the residents. As I look back on all of the pictures and see the beaming smiles on the residents' faces, I have no doubt our goal was achieved.

Activity Departments are full of workers who excel at "coordinating chaos". I have the best group of gals who ensure the day to day functioning of PSLC Activities runs smoothly and are always ready when it comes to big events like last week. You are appreciated and so passionate about our residents. Thank you girls - Caralie, Krystal, Star & Kora.

To the rest of the departments of PSLC - I am always blown away at the work you do day in and day out for our residents. When I ask for help, you all are always the first to volunteer your time, help and resources. It takes a village and this village is full of amazing, caring people! I wish I could tag you all, but you know who you are.

THANK YOU X 1,000,000!!!  
Emily Dietz, Activities Director

A colorful graphic for a bingo game. The word "BINGO" is written in large, bold, multi-colored letters (red, orange, yellow, green, blue). Above and around the letters are several numbered balls: 42 (green), 26 (red), 15 (teal), 83 (orange), and a plus sign (+) on a yellow ball. The background is a light yellow with a white starburst effect.

**We are looking to fill up  
our Bingo Buck\$ Store  
with more meaningful  
prizes!**  
(Stuffed animals are no longer accepted.)
