Financial Assistance

The Citizens Medical Center Financial Assistance Policy exists to provide eligible patients partially discounted emergent or medically-necessary hospital care. Patients seeking financial assistance must apply for the program.

Eligible Services

Patients receiving eligible services must submit a Financial Assistance Questionnaire (including related documentation/information). Determination of eligibility results from a review of the submitted information by the Patient Financial Advisor and Chief Financial Officer. Elective care is not covered by financial assistance and is the responsibility of the patient at 100% of charges.

How to Apply

The Financial Assistance Questionnaire may be obtained, completed, and submitted as follows:

- Obtain an application at Citizens Medical Center's Admissions desk or at the office of the Patient Financial Advisor.
- Request to have an application mailed to you by calling 785-460-4872.
- Request an application by mail at Citizens Medical Center: 100 E. College Drive Colby, KS 67701.
- Download a Questionnaire through the Citizens Medical Center website: www.cmciks.com
- Obtain information about the financial assistance program from the Thomas County Health Department in Colby 785-460-4596.

Determination of Financial Assistance Eligibility

Generally, patients **are** eligible for financial assistance based on their income level and assets. Patients with household income of 100% of the Federal Poverty Level or less may be eligible for a discount of 90%. Patients with household income of over 100% of the Federal Poverty Level may be eligible for the discount ranging from 10%-80%. Eligible patients will not be charged more for emergency or other medically necessary care than Amounts Generally Billed (AGB) to those patients who have insurance.

PLEASE NOTE

According to our Financial Assistance Policy, financial assistance may be sought after all other sources of payment have been exhausted.
