Starting a Memorial

When death separates us from those we love, one of the ways we can honor his or her memory is through a memorial gift.

ABOUT MEMORIALS

All memorial funds are ran through the Citizens Foundation where the funds are used to support the mission of Citizens Medical Center, Inc. to “Enhance the Lives of Those We Serve.” As a non-profit organization, memorials and other forms of donations make it possible for us to provide outstanding quality care to our residents and patients. **All donations are tax deductible.**

GETTING STARTED

Starting a memorial fund is quick and easy.

1. Contact Megan Carmichael, Foundation Executive Director @ (785)460-1214; email mcarmichael@cmci.com or complete the form on the back and return to Citizens Foundation 100 E. College Dr. Colby, KS 67701.
2. Memorial gifts are prompted by messages in obituaries and/or programs, “The family suggest memorials to Citizens Foundation, 100 E. College Drive Colby, KS 67701.”
3. Determine how you would like the memorial funds to be used using the list to the right.
4. The Citizens Foundation recognizes memorial funds in a loved one’s name on our memorial board when the total reaches at least \$500.
